Children in the Bible Coloring Book

This coloring book has been made for the encouragement and enjoyment of all the Children of the Lord. Our hope is that it will be colored from cover to cover, and that the stories and lessons of the Children in the Bible will bless and edify the children of today!

Reference Scripture are taken directly from the King James Version of the Bible. Even though this is an artistic interpretation of the Scripture passages, we feel that it accurately portrays the intent of the spirit of the Word. The pictures are assembled in chronological order from the Old through the New Testament.
