

Sing Unto the Lord

Femi Adedoyin

My sister suffered a stroke some time ago in Nigeria. She survived it and has recovered. Praise be to God. She is a lover of God. I trusted the Lord to make her completely well as we worshipped him. There's nothing comparable to the worship of God in Spirit and Truth.

True worship is to give our mind, attention and heart affection wholly to him. Churches are divided over worship for one reason or another. I will not allow myself to engage in anything that would bring discord.. or any loophole for division in worship not over style, method or substance. It's not about my feelings as long as the content of the songs are godly. I just want to give him all my mind, my attention and heart affection period. Why?

Ps 96:1-4 Sing unto the LORD a new song, sing unto the Lord with all the heart. Sing unto the LORD bless his name shew forth his salvation from day to day. Declare his glory among the heathen his wonders among all people. For the LORD is great and greatly to be praised, he is to be feared above all gods.

This powerful Psalm of worship reminds us to praise Him for who he is and what he has done for us many times. Our God is worthy of worship. He has saved us and is saving us. We ought to be passionate about this. Everyone of us are passionate creatures when it comes to what we truly admire and are interested in. There's reward.

Sometime ago I became very ill. I began to worship and afterwards I had to remind myself that I was ill but now I'm well. **Ps 96:6** Honor and majesty are before him, strength and beauty are in his sanctuary. Awesome.

This is the immediate result of worship. We are all worshippers because we all worship something or someone. I rather worship GOD! **Ps 96:6** O worship the LORD in the beauty of holiness fear before him all the earth.

I pray we get serious as we worship him with cleanliness of earth. Put aside our grudges and pride for true holiness in worship for God is holy. I don't mind to worship him outside church gatherings. Who knows when He might move on the heart of a heathen.

Ps 96:9-13 Declare his glory among the heathen his wonders among all people. This psalm clearly portrays the whole earth creations worship the LORD. Say among the heathen that the LORD reigns the world also shall be established that it shall not be moved he shall judge the people righteously. Let the heavens rejoice and let the earth be glad let the sea roar and the fullness thereof. Let the field be joyful and all that is therein then shall all the trees of the wood rejoice. Why is all these breaking out in joy to worship. Why all these groaning creatures burst out in joy. Why do we continually worship him in any given circumstances? Before the LORD for he COMETH to judge the earth he shall judge the world with righteousness and the people with the truth.

You may be oppressed and suffering under the ruthless system of the world right now. You may not be making enough money right now. Your business supposedly should be thriving more than it is doing right now. Whatever pain, illnesses, disease or stroke you may be suffering at this time. right now. Nevertheless, the day of the LORD is near, the righteous judge is coming to set all things aright. Let us anticipate his coming in our worship even though we still have lots to accomplish here. Let us be like this psalmist and anticipate the day of our total union with him where there's no more pain or sorrow of any kind. Yes. He alone is worthy of worship. Praise the LORD!
